Powers, John

August 17, 1901

Plainview. August 17-1901

Mr. Chapman my Dear Sir

Yours of Decent date came to hand will say am well. Satisfied with those coins now my dear Sir could not possible attend sooner as I had to harvest. we could not get help at any price now my dear Sir Plainview is going to have a Street fair. Sept 18-19-20 Now what can you send me well my dear Sir. Can't you give me Benefit of your experience in the matter now I will say our german element is Big Norway. Sweden and Denmark and must not forget me. Have a few Irish. Swiss and I might say some from all parts of Europe. But don't forget our own american element now my dear Sir you can tell better than I can as to what to send But don't send two large a bill. say about twenty five dollars or a little more would like to get a Special Circular ^{which} would give me some good instructions will say if you send more than the above amount will Return all unsold free of charges will say fractional currency with Bust of Lincoln would I think sell well But those you hold pretty high Could you not discount some from your Regular Prices

Now my dear Sir I don't say what I want you can use
your own judgement in the matter and after a little I will
be better posted than times on Jackson Remeyes would
I think I will have all coins in good condition. well
and plainly dated Old dates if in fair condition I will
best You will please find enclosed \$ 7.57 cents
which clears my account Please give me credit for
same and oblige yours truly John Powers

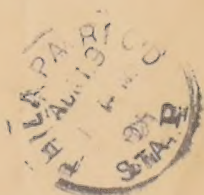

Plainview. Wabasha. Co. Minnesota

Please let me hear from you as soon as possible
Now I don't say what to send But let me have
something what will sell at Plainview Street fair
Plainview is a lively town and is located in
the best part of Minnesota
truly yours John Powers
